Local Planning Scheme No. 24 - Amendment No. 5

Author/s: Richard Hindley, Manager Strategic Planning & Land Projects
Authorisor/s: Terry Sargent, Director External Services

File Ref: D20/1539

Applicant
Internal (Strategic Planning & Land Projects)

Location/Address
Lots fronting Twilight Beach Road to the East of Walker Street, West Beach,
Portion of Lot 50 Wylie Bay Road, Bandy Creek
Executive Summary
For Council to consider initiating Amendment 5 to Local Planning Scheme No. 24 to amend the Scheme by amending the Modification of R-Codes provision and introducing a new Special Use on a portion of Lot 50 Wylie Bay Road, Bandy Creek.

Recommendation in Brief
That Council:

1. Amend Local Planning Scheme No. 24 in pursuance of Section 75 of the Planning and Development Act 2005.

2. Determining that the amendment is “standard” under the provisions of regulation 35.(2) of the Planning and Development (Local Planning Schemes) Regulations 2015 for the following reason(s):
   “… (c) an amendment that is consistent with a local planning strategy for the scheme that has been endorsed by the Commission…” and;
   “… (g) any other amendment that is not a complex or basic amendment…”

3. Refer Amendment 4 to the EPA under Section 81 of the Planning and Development Act 2005 and resolve to proceed to advertising of the amendment for public inspection after referral to the EPA.

Background
Notice of Final Approval of the Shire of Esperance Local Planning Scheme No. 24 (‘the Scheme’) was published in the Government Gazette on 2 August 2017. Like any such document it is subjected to statutory review and review by Council as circumstances dictate.

The proposed modifications fall into two categories as follows:
   1. Clarifying the area that a mandatory 7.5 metre setback applies taking into account current development that has occurred with the area.
   2. Insertion of SU8 to reflect the proposed development by Ocean Grown Abalone;

The proposed amendment is consistent with the Local Planning Strategy.

Officer’s Comment
The following is a summary of the points contained within the amendment document and for the sake of clarity, should be read with Attachment A.

The amendment points contained with the attached document are brought to Council as they have a potential to facilitate development that may otherwise not be approved.

Amend Clause 26.(4) by inserting after ‘Twilight Beach Road’ the following ‘to the west of the intersection with Walker Street’;
This amendment refines the area where a 7.5m setback is established by a provision modifying the R-Codes. Development in the excluded areas will still be required to comply with the prevailing R-Code setbacks.

It should be noted that this modification will enable the application of the R-Codes on the affected lots which will assist in reducing the Bushfire Attack Level that is present in the affected area.

Amending Schedule 5 by inserting SU8
Ocean Grown Abalone are currently seeking to establish an aquaculture facility on the southern portion of Lot 50 on DP 411486 Wylie Bay Road.
The proposal is consistent with the Bandy Creek District Structure Plan which identified aquaculture as a land use within the vicinity of the proposed site.

The proposed area of Public Open Space is consistent with the requirements of State Planning Policy 2.6 – State Coastal Planning Policy.

The site had 29 species of flora identified during the flora survey. All species identified are considered to be common to the area.

It should be noted that the Department of Planning, Lands and Heritage – Planning have advised that subdivision of this portion of Lot 50 from the parent title cannot be supported without a change in the zoning.

**Consultation**
A 42 day advertising period applies for amendment which will commence upon receipt of comments from the EPA.

**Officer’s Recommendation**

**That Council:**

1. That Council in pursuance of Section 75 of the Planning and Development Act 2005 amend Local Planning Scheme No. 24 by:
   i) Amending Clause 26.(4) by inserting after ‘Twilight Beach Road’ the following ‘to the west of the intersection with Walker Street’.
ii) Amending Schedule 5 by inserting SU8 with the following:

<table>
<thead>
<tr>
<th>No.</th>
<th>Description of land</th>
<th>Special use</th>
<th>Conditions</th>
</tr>
</thead>
</table>
| SU8 | Ocean Grown Abalone Portion Lot 50 on DP 411486 Wylie Bay Road, Bandy Creek | As a ‘D’ use:  
* Agriculture – Intensive  
* Educational Establishment  
* Restaurant/café  
* Renewable energy facility  
As an ‘I’ use:  
* Office  
* Industry – Light  
Other complimentary or non-defined uses considered appropriate by the local government. | a) The portion of Lot 50 on DP 411486 subject to SU8 and the adjacent area reserved Public Open Space may be subdivided from the parent lot.  
b) Development is to be in accordance with Schedules 6 and 7 of the Scheme.  
c) Development of pipework and incidental pumps and other service is permitted within the portion of the lot reserved as public open space.  
d) All signage is to be in accordance with an adopted signs Local Planning Policy or otherwise be exempted by Schedule 10.  
e) Unless exempted by subclause c) all development within SU8 shall require development approval. |

iii) Amending the Scheme Map by rezoning a Portion of Lot 50 on DP 411486 from ‘Rural’ to ‘SU8’ and ‘Public Open Space’ as depicted on the Scheme Amendment Map.

2. Determine that the amendment is standard under the provisions of regulation 35.(2) of the Planning and Development (Local Planning Schemes) Regulations 2015 for the following reason(s):

(b) an amendment that is consistent with a local planning strategy for the scheme that has been endorsed by the Commission;

(g) any other amendment that is not a complex or basic amendment.

3. Refer Amendment 5 to the EPA under Section 81 of the Planning and Development Act 2005 and resolve to proceed to advertising of the amendment for public inspection after referral to the EPA.

CHIEF EXECUTIVE OFFICER
SCHEME AMENDMENT REPORT

1.1 Introduction

Notice of Final Approval of the Shire of Esperance Local Planning Scheme No. 24 ("the Scheme") was published in the Government Gazette on 2 August 2017.

It has recently become clear that the current application of a 7.5 metre setback on Twilight Beach Road to the East of Walker Street, West Beach clauses difficulties in developing lots including in some sections the capacity to develop lots given the prevailing bush fire attack level rating.

This amendment seeks to apply the R-Codes setbacks on Twilight Beach Road to the East of Walker Street.

Modifications are proposed to introduce a new Special Use for the proposed development by Ocean Grown Abalone.

A number of amendments are made to the Scheme Map to ensure it reflects changes from the amendment as well as ensuring the Reservation manages accurate reservations for Shire managed reserves.

The specific details of this amendment are specified below.
2. AMENDMENT PROPOSAL

2.1 Amend Clause 26.(4) by inserting after ‘Twilight Beach Road’ the following ‘to the west of the intersection with Walker Street’

It is proposed to limit the application of a mandatory 7.5 metre setback along the portion of Twilight Beach Road to the West of Walker Street. This will result in the R-Codes standards applying to the East of Walker Street.

Area reverting to use of R-Codes

The proposed modification is minor in nature and will only have a minor impact on the development potential of the lots that are no longer affected by the 7.5 metre setback.

2.2 Amending Schedule 5 by inserting SU8

Ocean Grown Abalone are currently seeking to establish an aquaculture facility on the southern portion of Lot 50 on DP 411486 Wylie Bay Road.
The provisions for SU8 are as follows:

<table>
<thead>
<tr>
<th>No.</th>
<th>Description of land</th>
<th>Special use</th>
<th>Conditions</th>
</tr>
</thead>
</table>
| SU8 | Ocean Grown Abalone Portion Lot 50 on DP 411486 Wylie Bay Road, Bandy Creek | As a ‘D’ use:  
  - Agriculture – Intensive  
  - Educational Establishment  
  - Restaurant/cafė  
  - Renewable energy facility  
  As an ‘I’ use:  
  - Office  
  - Industry – Light  
  Other complimentary or non-defined uses considered appropriate by the local government. | a) The portion of Lot 50 on DP 411486 subject to SU8 and the adjacent area reserved Public Open Space may be subdivided from the parent lot.  
b) Development is to be in accordance with Schedules 6 and 7 of the Scheme.  
c) Development of pipework and incidental pumps and other service is permitted within the portion of the lot reserved as public open space.  
d) All signage is to be in accordance with an adopted signs Local Planning Policy or otherwise be exempted by Schedule 10. |
The proposal is consistent with the Bandy Creek District Structure Plan which identified aquaculture as a land use within the vicinity of the proposed site.

A level 1 flora survey was undertaken at Lot 50 Wylie bay Road, Bandy Creek during June 2019 in accordance with the Environmental Protection Authority (EPA) schedule 51, Guidance for the Assessment of Environmental Factors (the Environmental Protection Act 1986) Terrestrial Flora and Vegetation Surveys for Environmental Impact Assessment in Western Australia.

The site had 29 species of flora identified during the flora survey. All species identified are considered to be common to the area.

**Species identified during site visit**

<table>

</tbody>
</table>

Upon inspection it was noted that no threatened ecological communities (TEC) indicator species were present and the vegetation type did not match Proteaceae Dominated Kwongan shrublands.

3. LOCAL PLANNING STRATEGY

The proposed amendments are consistent with the Local Planning Strategy.

4. CONCLUSION

This amendment includes two modifications being:

- Clarifying the area that a mandatory 7.5 metre setback applies taking into account current development that has occurred with the area.
- Insertion of SU8 to reflect the proposed development by Ocean Grown Abalone;

The proposed provisions are consistent with the Local Planning Strategy.
PLANNING AND DEVELOPMENT ACT 2005
SHIRE OF ESPERANCE
LOCAL PLANNING SCHEME NO. 24
AMENDMENT NO. 5

The Shire of Esperance under and by virtue of the power conferred upon it in that behalf by the Planning and Development Act, 2005, hereby amends the above local planning scheme by:

1. Amending Clause 26.(4) by inserting after ‘Twilight Beach Road’ the following ‘to the west of the intersection with Walker Street’
2. Amending Schedule 5 by inserting SU8 with the following:

<table>
<thead>
<tr>

Executive Summary
For Council to consider the Expressions of Interest for the Esperance Tanker Jetty grade 4 timber that demonstrate a

Recommendation in Brief
That Council donates all historic Esperance Tanker Jetty Grade 4 Timber to Esperance Men in Sheds Inc.

Background
As part of the deconstruction of the Esperance Tanker Jetty, the historic timber from the Jetty is being salvaged. H+H Architects, who are Heritage Architects, have been engaged to undertake a Watching Brief for the deconstruction of the Jetty, as per the Heritage Council requirements. As part of the Watching Brief H+H Architects has developed a timber sorting matrix for the classification of timber recovered from the Jetty, through the sorting of the Jetty timbers stored at the depot. From this H+H Architects have come up with four grades to classify the Jetty timbers into.

At the December 2019 Ordinary Council Meeting, Council resolved the following:
That Council endorse the following table of actions, for each grade of historic timber that comes of the Esperance Tanker Jetty:

<table>
<thead>
<tr>
<th>Timber Grade</th>
<th>Action</th>
</tr>
</thead>
<tbody>
<tr>
<td>4</td>
<td>Expression of Interest to donate historic timber to a community group to manage distribution to the community or others</td>
</tr>
</tbody>
</table>

An expression of Interest was opened to the public with a closing date of the 23 January 2020 at 2.00pm.

Officer’s Comment
There were two expressions of interest received by the deadline that are included in attachment A, as follows:

- YCO Creations; and
- Esperance Men In Sheds.

Given the criteria set by Council for the donation to be to a community group and the response received to the qualitative criteria, it is recommend that Esperance Men in Sheds Inc. be donated all historic Esperance Tanker Jetty Grade 4 Timber.
