Executive Summary

For Council to review the section of the Policy Manual that relates to Corporate and Community Services.

Recommendation in Brief

That Council endorse the Corporate and Community Services policies inclusive of amendments, inclusions and deletions as reviewed.

Background

A review of Council Policies is recommended to take place every two years, in line with Council elections to ensure that the Policies are in keeping with community expectations, relevance and current requirements.

Officer's Comment

The following is a summary of recommended changes to the Corporate and Community Services policies. Please refer to Attachment A for policy details.

Corporate & Community Services		
Policy Name	New Ref No.	Recommended Amendment
Records Management	POL 0018	Removed redundant sections and updated wording for better readability.
Complaint Handling	POL 0019	No change

Outstanding Rates - Debt Recovery GPC List

Executive Summary

That Council acknowledges the outstanding ratepayers that have progressed to the next stage of 2025/2026 annual debt recovery. These property owners have been contacted via post, email or telephone however rates officers have had no response. The next stage will be a General Procedure Claim (GPC), a legal claim lodged with the Magistrates Court, served to the ratepayer via bailiff.

Recommendation in Brief

That Council acknowledge the outstanding ratepayers who are not on instalments or payment arrangements who have progressed to the General Procedure Claim stage of debt collection.

Background

This report is to provide information to Council on ratepayers with a balance outstanding from 14 days after the due date, excluding ratepayers who have elected the instalment option, have entered a formal payment arrangement or who are already in debt recovery. It is also to request that Council acknowledge the outstanding ratepayers who have progressed to the next stage of debt recovery, GPC with our debt recovery agency, Cloud Payment Group.

As per Council debt recovery policy, Rates Officers issued a Final Notice on 08 October 2025 to all ratepayers who had an outstanding balance from 14 days after the due date 24 September 2025, excluding those described above.

We then instructed Cloud Payment Group to issue 112 ratepayers (85 properties) with a demand letter for payment to be made within 7 days without further legal action proceeding. This letter was dated 19 November 2025 and encouraged ratepayers to contact the Shire to either make payment in full or formalise a payment arrangement. The demand letter does not affect the ratepayer's credit rating.

In comparison to the same exercise carried out last year there were 121 ratepayers (90 properties) issued with demand letters, with 23 properties going on to receive a GPC totalling a debt of \$56,013.64.

At the time of writing this report, there are still 36 properties with balances outstanding after receiving the demand letter. Of the 36 properties, 21 have not responded to any notice and we have been unable to make contact with the ratepayer. There are 8 properties that have made part payments, of these 4 have made payments equal to the 1st and 2nd instalment amounts. There are 4 properties that we are negotiating payment arrangements with and 3 properties that have long-term debt of 2 or more years.

Officer's Comment

A GPC will incur debt recovery costs of approximately \$850 for each assessment and is recoverable from the ratepayer. A GPC will also affect the ratepayers credit rating. The Rates Officers have been contacting ratepayers from when the Final Notices were sent right through to the day of writing this report, encouraging them to enter a formal (signed) payment arrangement if unable to pay in full. When contact is made the ratepayer is informed of the GPC being the next stage and the repercussions on their credit rating and the extra costs.

Payment by the Instalment Option is not available after the first due date. The ratepayers that have paid the equivalent of the first instalment amount after receiving the Final Notice or the Demand Letter are not eligible for the instalment option as they effectively forfeited that right when they did not pay on time. They either pay in full or enter into a payment arrangement. Depending on the individual circumstances, payment arrangements give ratepayers the option to cover the outstanding debt using weekly, fortnightly or monthly payments.

A list of outstanding properties is attached to this report listed in assessment order. It lists the assessment number, amount outstanding, property address and status. The status code is as follows:

- Nil = No response to any methods of contact or no payment made
- PA = Made contact, awaiting return of signed payment arrangement
- Part Payment = Part payment has been received but has not met the instalment guidelines
- Long-term = Debt of 2 years or more
- Instalments = Payments made totalling first and second instalments but did not meet the first instalment due date so are accruing interest daily

Total outstanding debt from ratepayers who received a demand letter, at the time of preparing this report, \$102,049.19.

As per Council policy for debt recovery there will be separate debt recovery for ratepayers on the instalment option who have not met payments by the instalment dates. The due date of the fourth instalment is 11th March 2026, after which final notices will be sent to those with outstanding balances, if no response there will be demand letters sent via Cloud Payment Group.

Lease Request - Lot 577 Coolgardie-Esperance Highway Monjingup

Author/s	Sarah Walsh	Coordinator Governance & Corporate Support
Authorisor/s	Felicity Baxter	Director Corporate and Community Services

File Ref: D26/335

Applicant

Department of Fire and Emergency Services (DFES)

Location/Address

Portion of Lot 577 Coolgardie-Esperance Highway Monjingup, Reserve 14545

Executive Summary

For Council to consider entering into a lease with DFES for portion of Lot 577 Coolgardie-Esperance Highway Monjingup, Reserve 14545.

Recommendation in Brief

That Council enter into a lease with DFES for portion of Lot 577 Coolgardie-Esperance Highway Monjingup, Reserve 14545.

Background

Correspondence was received in March 2024 regarding the telecommunications tower located on the site, which appears to have been built around 2007, however there is currently no formal agreement in place for DFES' use of the land.

DFES built the communication tower for emergency services communication purposes and is responsible for all maintenance of the facility. A formal lease will set out the rights and obligations for the premises.

The land which the communication tower is located on is vested in the Shire of Esperance, and the Six Mile Hill Bush Fire Brigade facility is also located on this site.

Officer's Comment

As the premises is already constructed, there are no known issues for a lease being entered into for the site. The Planning Team has confirmed that the Shire's management order for the site includes power to lease for up to 21 years, subject to the consent of the Minister for Lands.

Since DFES first reached out, officers have been negotiating the terms of the agreement, which are now nearing finalisation.

There are two areas where DFES has requested changes that are not aligned with the Shire's standard clauses, which Council must decide on –

1. Lease Preparation Fee

DFES' position is that this fee should not be charged as the lease document is being prepared by their legal team and that all costs for preparation of the document should be borne by each party.

A lease preparation fee is charged to leaseholders for all leases where the Shire is Lessor, as per part 3 of the Building and Property Agreement Policy. The fee for commercial leases is currently \$650 inc GST in line with the schedule of fees and charges, and this fee may only be waived by Council.

Although DFES are a commercial entity, the site will be used for community purposes being emergency communications, and therefore it is recommended that the fee be waived.

2. Rent / Emergency Services Levy (ESL)

DFES initially proposed a peppercorn rent for this arrangement, however when advised that ESL would be on charged as required under relevant legislation, they have revised their proposed rent to \$110 inc GST per annum. This proposed amount is to be gross of all rates, taxes, levies and outgoings, meaning that this will be the only amount charged per annum for their use of the land.

Previous leases the Shire has entered into for emergency services communication purposes have been approved for a peppercorn rent, however have been on charged for ESL separately.

The ESL charge for rural areas was \$108 for 2025/2026. ESL charges generally increase slightly each year, and therefore it is likely that ESL charges may exceed the proposed annual rent amount in future years.

As such, it is being recommended that the annual rent be \$110 inc GST, subject to annual reviews in based on current ESL charges.

Please note that while annual rent proposed is the same amount as the community rate set by Council in the Building and Property Agreements Policy, the rent in this instance is derived from the ESL charges.

Advertising for the disposal of property is not required, as DFES being a State Government entity are exempt under r.30(2)(c)(ii) of the *Local Government (Functions and General) Regulations 1996*.

Portion Lot 1027 The Esplanade, Reserve 28207, known as Adventureland Park

Executive Summary

For Council to consider extending the current lease for Adventureland Park, portion of Lot 1027 The Esplanade, Reserve 28207.

Recommendation in Brief

Council request that Southern Ports Authority extend the current lease for Adventureland Park, portion of Lot 1027 The Esplanade, Reserve 28207.

Background

The Shire leases the premises from SPA, with the current lease commencing in March 2016. The lease is due to expire on 17 March 2026, and provides for an option to extend for a further term of 10 years.

Officers and SPA have been discussing the current arrangement in the lead up to the expiry date to determine if changes are required or whether the lease should be extended 'as is'.

Officer's Comment

Discussions with SPA identified that some changes may be required to the lease area to incorporate the portion of the toilet block near the Yacht Club which crosses into SPA's reserve, and also a small portion near the clocktower to allow the Miniature Railway to complete the final section of their verandah now that the underground fuel tank in that area has been decommissioned.

During these discussions, it was raised that the current area plan within the lease is inaccurate and so a new lease area plan should be created, which would require the services of a licensed surveyor.

As this would take considerable time to complete and constitutes a significant change to the lease which triggers additional processing requirements for SPA, it has been decided to extend the lease on current terms for now, while this work is undertaken and a lease variation will be processed at a later time.

SPA has requested that new signage be installed on site as a priority, to replace existing signage that is quite worn. This request is currently being processed by officers following agreement on the signage design.

The Shire has two sub-leases on site with the Miniature Railway Society and Esperance Mini Golf, which are due to expire in line with the headlease. Both parties have been notified of their pending lease expiries, and these arrangements will be processed separately once the headlease extension has been finalised.

Financial Implications

Annual lease fee of \$1.10 inc GST
Annual land tax charges - \$4,198.03 for 2025/2026

A lease preparation fee will not be applicable to this arrangement as the Shire is not the Lessor for this property.

Asset Management Implications

As per annual schedule for park infrastructure.
Both sub-lease arrangements are land only, where the leaseholders are responsible for maintaining their own infrastructure.

Statutory Implications

Local Government Act 1995 - Section 3.58 Disposing of Property
Local Government (Functions and General) Regulations 1996 – Section 30(2) Dispositions of property excluded from Act s.3.58
Land Administration Act 1997 – Section 18 Crown Land Transactions that need Minister's Approval

Policy Implications

Building and Property Agreement Policy

Strategic Implications

Council Plan 2022 – 2032
Place - Outcome 9. Attractive and welcoming places
Objective 9.3. Provide quality community facilities, parks and spaces.

MONTHLY FINANCIAL MANAGEMENT REPORTS

(Incorporating Statement of Financial Activity)

DECEMBER 2025

CORPORATE & COMMUNITY SERVICES

MANAGER FINANCIAL SERVICES COMPILATION REPORT

MEETING DATE:	27 JANUARY 2026
ACCOUNTING PERIOD:	PERIOD ENDED 31 DECEMBER 2025
MATERIALITY THRESHOLD:	\$100,000 OR 10%

OVERVIEW

The Statement of Financial Activity shows a surplus at 31 December of \$22,829,112.

RATES COLLECTED

Rates collected at the end of November were 85.87%. Collections at the same time last year were 86.02%.

2025-2026 FINANCIAL YEAR

Mid Year Budget Review meetings have commenced with officers and will continue throughout January. The document will go to the Audit Committee and be presented to Council in the first quarter of 2026.

REGIONAL EXPRESS PTY LTD

The Shire is in communication with the administrators of Regional Express Pty Ltd. A proof of debt has been lodged to the value of \$440,587.41 up to the 30th July 2024, when administration commenced. On November 04, 2025, Federal Government announced a \$5 million support program for regional and remote airports affected by Rex Airlines' voluntary administration. The Shire will monitor this program and apply for funding where able.

WORKING CAPITAL

The Council is solvent and I do not consider there any matters of liquidity affecting business continuity that I would bring to Council's attention.

Current surplus at the end of December is \$22,829,112. The surplus is shown on the bottom of the Statement of Financial Activity and also on the Composition of Net Current Assets. It represents our ability to meet the short-term demands of our suppliers.

Unrestricted cash at bank is \$49,668,098 and this is shown on the Statement of Financial Position. Reserve balance is \$30,504,877, also shown on the Statement of Financial Position.

3 KEY INFORMATION - GRAPHICAL

Liquidity is a modified current position which consists of un-restricted cash, debtors and inventories less payables and provisions for annual leave.

A surplus is indicated by a positive figure and a deficit is indicated as a negative number.

The purpose of the graph is to trace the progressive values of the liquidity surplus(deficit) which shows on the "Statement of Financial Activity" in each month's financial report.

The current year to date value is graphed against the immediate past year as a comparative.

Payment of Accounts Listing - January 2026

Author/s	Sarah Bridge Roselyn Hamilton	Corporate Accountant Manager Financial Services
Authorisor/s	Felicity Baxter	Director Corporate and Community Services

File Ref: D26/756

Executive Summary

To present the list of accounts paid by the Chief Executive Officer under delegated authority and the list of payments made by authorised employees using credit cards and other purchasing cards for the month 1 – 31 December 2025.

Background

Recent reviews of the *Local Government Financial Management Regulations (1996)* by Moore Australia recommends that the payments listing (*Reg 13*) and the list of payments made by authorised employees using credit cards or other purchasing cards (*Reg 13A*) to be presented to Council in a separate agenda item to the financial reports as they relate to a different part of the Financial Management Regulations.

2.2.1	Lead implementation of the Esperance Greater Sports Ground Redevelopment Masterplan	Hockey Turf project will be starting February 2026.	Director Asset Management
2.2.2	Provide a third soccer pitch at the Greater Sports Ground	Design will begin in the coming months.	Director Asset Management
2.2.3	Graham Mackenzie Stadium Project	Works onsite on hold due to Christmas shut down and overflow camping grounds being at peak capacity. Toilet block works were completed for this to be used for Overflow. Works to recommence mid-Jan. Internal fit out to commence in Feb,	Director Asset Management
2.2.4	Implement the actions from the Bay of Isles Leisure Centre Management Plan	The first "Purpose Project" video was released on Christmas Eve and so far the response has been excellent. The video showcases what the benefits of the Leisure Centre are to the community offering reflections from staff and members. Further videos, focusing on staff recruitment and retention will be released in the new year.	Manager Recreation and Culture
2.3.1	Design, construct and pursue further funding for James Street Cultural Precinct Stage 1	First claim against federal grant. Design review completed. Documentation progressing, soil testing undertaken this month.	Director External Services
2.4.1	Explore sustainable funding sources to attract, manage and support local volunteers	Funding has been sourced for this financial year, so we do not actively need to be searching for additional funds currently. We stay informed of new potential grants from our usual funders, but will put the effort of searching for funds into delivering on our funded project outcomes until we are in the second half of the financial year. 2.4.2	Explore options to recognise, reward and incentivise volunteers	Our Cinema event for volunteers to celebrate Thank a Volunteer Day was a huge success. We received so much positive feedback from everyone who attended. It's been a long time since we have done a cinema event, and the volunteers really appreciated a low-pressure event. We experimented with a build-your-own snack box style of catering which was affordable and worked well to cater for dietary needs. We received positive feedback about this approach. Staff feel that this was a successful event with 79 Volunteers attending from 48 different organisations. This is a really healthy number of attendees for one of our events.	Administration Officer

We are gradually seeing the affect of these changes on our client budgets which is causing concern all through the industry. We will endeavour to use our Thin Market Grants to offset this for our clients where the systems allow for us to do so. At this time we have not reduced any service levels for clients due to budgetary concerns.</p> <p>With the delays in the start of the SaH program we have seen an increase in the number of hours we deliver under CHSP and are maintaining high performance targets in all but 2 service types (with a couple just tipping over 100% and one tracking at about 250%). Unfortunately, if this continues, we may need to start waitlists due to lack of Government funding rather than lack of staff. If it remains constant, we will be able to offset some over performance with underperformance in the 2 areas we are under performing in. I am in discussions with our funding managers at the department so they are aware - but at present there are no additional funds to apply for.</p>

BAU1.1.5	Esperance Public Library	<p>The quarter has seen much change with our technologies, staffing and expansion of community programs.</p> <p>The start of the quarter saw the installation of our latest RFID equipment; a self-loan station and an external reserves locker. This installation went relatively smoothly thanks to great planning and support from our IT, Building Maintenance and media teams. We made the most of the FE Tech technician's onsite visit to 'iron out the kinks' of our initial RFID technologies - which are now much more usable by staff.</p> <p>Following the farewell of two long-term staff members - in early October we welcomed a new (returning) Library Officer and a new Library Technician. Both new staff members have been onboarded and are working beautifully in the library team and with our library community. Tech help appointments have recommenced after a two-month hiatus, and our library technician has been working on making improvements to our Library Management system and technologies.</p> <p>Through our Regional WA Library Consortium membership, all Library and Museum staff have gained institutional access to Australian Library and Information Association (ALIA) membership which provides industry opportunities, training and access to knowledge.</p>	Library & Culture Coordinator

		<p>We have continued to make efforts in the WH&S space. In November we had a WorkSafe inspection, internal Safety team inspection and a public building inspection - each identified issues to resolve. Time has been spent resolving issues or liaising with other Shire teams to make plans to address the safety issues raised.</p> <p>The Esperance Public Library (EPL) has received funding through ALIA to deliver some additional library programs under the banner of 'Community Cohesion'. This funding has been put towards additional staffing to deliver the programs. The first program was the 'Blank Page Project' a sketch booking/journaling program delivered over four weeks in partnership with Esperance Community Arts using local artists as tutors. The program was very popular and highly successful with many participants indicating they wish to continue meeting on a regular basis. The remaining five programs will be delivered next quarter.</p> <p>The Better Beginnings Program was delivered by our Literacy and Lifelong Learning Library Officer who made onsite visits to most local schools in term 4. The State Library of WA's Better Beginnings team has indicated changes will be made to the delivery of the program in 2026. Our Lifelong Learning Library Officer and volunteers attended the Nulsen in November event, delivering early literacy activities.</p> <p>School visits also featured this term with visits by the Mallee School Leadership Group, Esperance Primary Year Fours and Esperance Primary School Year Ones.
